Workshop 1
July 23  |  $80

This 1-day workshop provides school mental health professionals, administrators, school resource officers, and other educators the knowledge and resources important to maintaining comprehensive, ongoing school safety and crisis prevention, mitigation, and preparedness. Specific attention is given to developing, exercising, and evaluating safety/crisis teams and plans, and integrating school and community crisis personnel.

6.5 NASP-Approved CPD’s

Workshop 2
July 24-25  |  $120

This 2-day workshop provides school-based mental health professionals and other school crisis intervention team members with the knowledge necessary to meet the mental health needs of students and staff following a school-associated crisis event. This workshop teaches participants how to prevent and prepare for psychological trauma, reaffirm both the physical health of members of the school community and students’ perception that they are safe and secure, evaluate the degree of psychological trauma, respond to the psychological needs of members of the school community, and examines the effectiveness of school crisis intervention and recovery efforts.

13 NASP-Approved CPD’s

These sessions will address Domain 6: Preventive and Responsive Services of the NASP 10 Domains of Practice. TASP is approved by the National Association of School Psychologists to offer continuing education for school psychologists. TASP maintains responsibility for the program.
