

## **Workshop 1- July 23 8:30-5:20**

This 1-day workshop provides school-based mental health professionals, administrators, security professionals, and other educators the knowledge and resources to help them establish and sustain comprehensive school safety and crisis prevention and preparedness efforts. With updated research and strategies, this workshop makes a clear connection between ongoing school safety and crisis preparedness. It also will emphasize the unique needs and functions of school teams and the steps involved in developing these teams, including a model that integrates school personnel and community provider roles. The workshop also explores how to prepare for school crises by developing, exercising, and evaluating safety and crisis plans.

PREPaRE Workshop 1 is appropriate for all school personnel who need to understand how the comprehensive school crisis team is organized and functions. This can include but is not limited to school mental health professionals, administrators, teachers, other pupil services personnel, security officers, front office staff, transportation directors, and before and after school activities coordinators.

## **Workshop 2- July 24 8:00-4:00, July 25 8:30-4:30**

This 2-day workshop provides school-based mental health professionals and other school crisis intervention team members with the knowledge necessary to meet the mental health needs of students and staff following a school-associated crisis event. With updated research and crisis intervention strategies, this workshop teaches participants how to prevent and prepare for psychological trauma, helps to reaffirm both the physical health of members of the school community and students' perceptions that they are safe and secure, evaluates the degree of psychological trauma, responds to the psychological needs of members of the school community, and examines the effectiveness of school crisis intervention and recovery efforts. This workshop is an excellent course for all mental health professionals in your district who provide mental health crisis intervention services.

PREPaRE Workshop 2 is appropriate for any individual filling the role of crisis intervention specialist. This includes school mental health staff (school psychologists, social workers, counselors and nurses), administrators, and other individuals whom the team has identified as appropriate providers of psychological first aid. Additionally, this workshop can be very helpful for community-based mental health practitioners who may work with the school crisis team and/or may be brought in to the school assist in response to a crisis.
